Title:	clip-on for an alphasmart
Category:	<input checked="" type="checkbox"/> Accessing the Curriculum <input type="checkbox"/> Developing AT Services <input type="checkbox"/> Other <input type="checkbox"/> Professional Development/Training Others Target Audience (if applicable): Level: <input checked="" type="checkbox"/> Beginning <input type="checkbox"/> Intermediate <input type="checkbox"/> Advanced

What we did:

I use a plastic clip with a wax backing purchased at a teacher store and mount it on the top of the Alphasmart. Use a 4x6 notecard with spelling words, etc. and place in the clip.

What it accomplished:

It keeps the material that the student is copying at eye level.
