Title of Idea:

What we did:

Art class / Art Projects

Paint brush adaptation for students with physical impairments, particularly those students with wrist pronation and/or hand deformity

*** Use a child-size toothbrush with built up handle**

What it accomplished:

Allows student to participate in art project independently

Comments or Suggestions:

There are some great toothbrushes with built up handles commercially made and available in dollar stores in package. Cost approximately 2/\$1.00
